MUSHROOMS

Beyond the Button

AUGUST 26, 2025

Chanterelles 3lb | #18866 | Pacific NW

Yellow to orange in color. The cap is fleshy with an earthy, fruity flavor. (in stock)

Matsutake 3lb | #19049 | Pacific Northwest

Large in size with thick white stems and brown caps. Holds a spicy pungent flavor and meaty texture. It has a strong sweet and spicy aroma. (4-day pre-order)

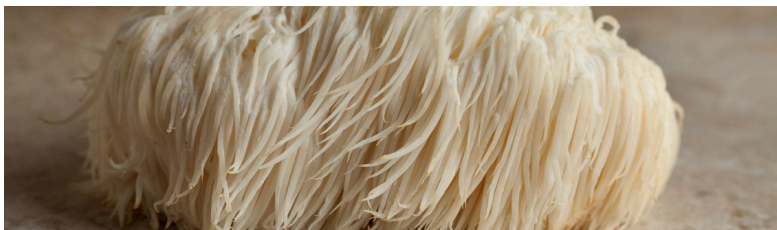

Lobster 3lb | #19048 | Pacific Northwest

Orange to red in color, similar to a lobster. The texture is meaty and it contains a mild shellfish flavor and aroma that intensifies when dried. (4-day pre-order)

Cauliflower 5lb | #00408 | Cultivated

Sponge-like appearance. White to tan in color. Unique earthy, umami flavor with notes of almond. (3-day pre-order)

Lions Mane 3lb | #00424 | Cultivated

Identified by a single clump of dangling spines, this stringy and meaty fungi has a seafood-like taste. (3-day pre-order)

Black Summer Truffle ea | #09478 | Italy

Flesh varies from white/cream to dark brown. Mild, nutty, creamy flavor and aroma. (3-day pre-order, MOQ 1/4lb per order)
